

Adair County

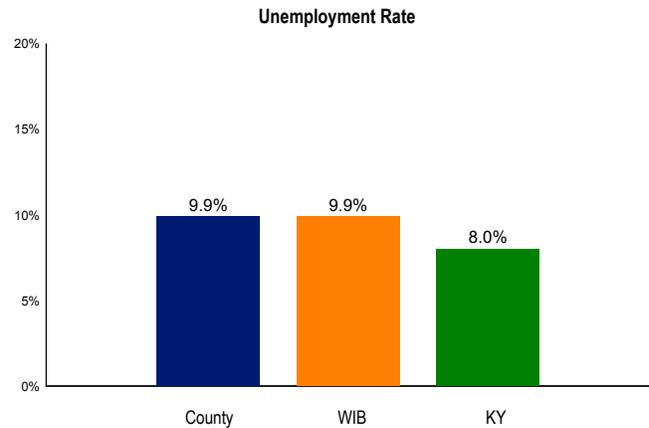

2015 Kentucky Adult Education County Profiles

WIB: CUMBERLANDS

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

Bath County

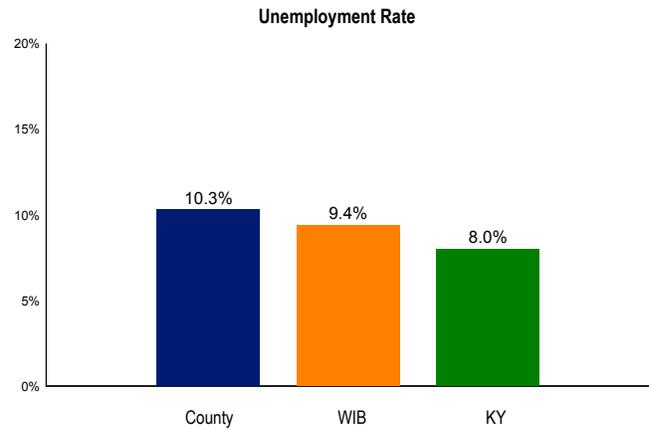

2015 Kentucky Adult Education County Profiles

WIB: TENCO

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

Butler County

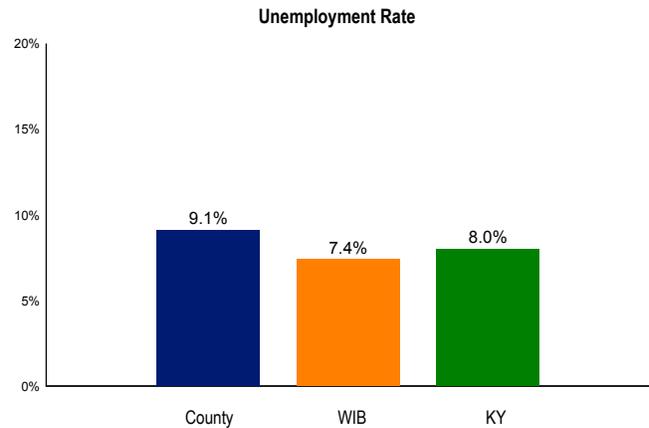

2015 Kentucky Adult Education County Profiles

WIB: BARREN RIVER

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

2015 Kentucky Adult Education County Profiles

WIB: BARREN RIVER

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

Jackson County

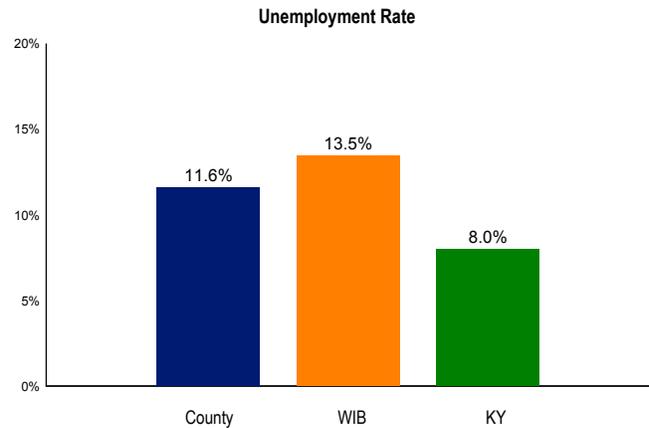

2015 Kentucky Adult Education County Profiles

WIB: EKCEP

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

Muhlenberg County

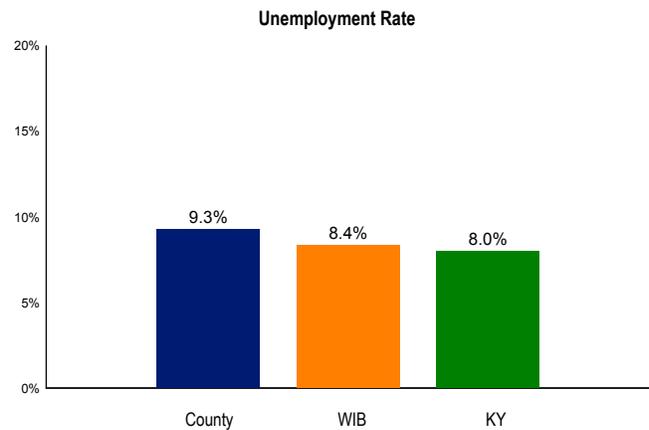

2015 Kentucky Adult Education County Profiles

WIB: WEST KENTUCKY

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

Powell County

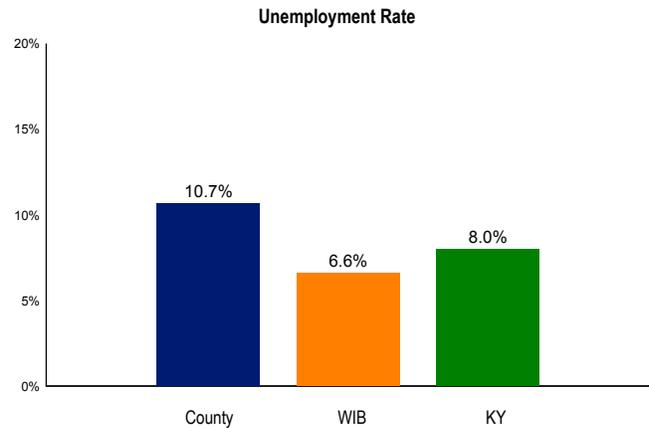

2015 Kentucky Adult Education County Profiles

WIB: BLUEGRASS

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).

Warren County

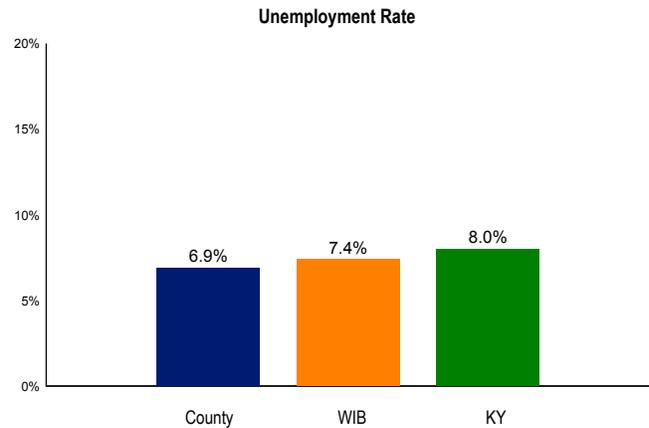

2015 Kentucky Adult Education County Profiles

WIB: BARREN RIVER

The Kentucky Adult Education County Profiles Report is produced by the Kentucky Center for Education and Workforce Statistics, utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Department of Education, Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about adult education for this county. It follows students who were enrolled in Kentucky Adult Education from the 2009 to 2011 Fiscal Years (FY) and includes information about education and workforce paths. The report compares counties, Workforce Investment Boards (WIBs), and the Commonwealth of Kentucky. In order to ensure the confidentiality of individuals, some data items have been redacted and are indicated by an asterisk (*).
